From the Desk of Father Madden

Dear Friends,

This issue of the St. Michael's alumni newsletter provides me with the opportunity to express my gratitude to you for your many kindnesses to me, and for the support, the patience, and the generous cooperation you have afforded me during the past 15 years. These years have been wonderful years for me, and I am grateful for the privilege and pleasure of being involved with so many wonderful people.

I am particularly grateful to all those who took part, in any way, in the retirement celebrations for me on 20 September; the Mass and the reception which followed were indeed overwhelming. It was truly a great St. Michael's Day. I understand that plans are proceeding for the renovation of the

Carr Hall auditorium, and that those who donated to that project have received a letter of thanks from Maureen Hart, President of our Alumni Association; I add my heartfelt thanks to hers.

As you may know, President Richard Alway has asked me to remain in my present office in Alumni Hall (it is really too messy to clean up!) and be of what assistance I can to Brian O'Malley and Mary Ellen Burns in their work in Development and Alumni Affairs. I am happy to do so, and I know that I can assure them that they will receive the same cooperation and support from you that I did. Stay in touch! God bless!

Sincerely yours,

Robert Madden, C.S.B.

Alberto and Caroline Morgan DiGiovanni (7T1 and 7T0) with Father Robert Madden at his retirement party.

Alberto gave a moving tribute to Fr. Madden before presenting him with an all-expense-paid trip to Italy on behalf of himself and his family.

A Celebration for "Father Bob"

What do you get when you take a humble and generous man, surround him by hundreds of people who love and admire him and proceed to tribute, praise and even embarrass him? You get one of the most meaningful and inspiring alumni gatherings ever held at St. Michael's College, perhaps even at the U of T.

On Sunday 20 September, more than 700 alumni representing all years attended a Mass and reception in celebration of Fr. Robert Madden's work with Alumni Affairs over the past 15 years. But the cause for celebration was deeper than a simple retirement. As almost every speaker noted, Fr. Madden has, over his 50 year

involvement with St. Mike's, touched our lives in every possible way - as a priest, teacher, mentor, alumni director, fundraiser and colleague. Not to mention the countless marriages, baptisms, funerals and other family celebrations in which he has participated, for many generations of families in some cases.

Many kind words and humorous stories were told about the man of honour. And yet, having known him all these years, many were still surprised at the revelation secret past: his life as "Bobo Madden" in his high school days with Fr. Owen Lee. The truth has been revealed!

1998 - 1999 Annual Fund

The St. Michael's Alumni Board in consultation with the College Administration has chosen the following projects in establishing the '98 - '99 Annual Fund Goal of \$ 600,000: Chaplaincy, College Academic Programmes in Christianity and Culture and in Celtic Studies, the Writing Lab, new books for the John M. Kelly Library, scholarships and bursaries, Continuing Education, and special spiritual, academic, cultural, social, and athletic student events and activities. The St. Michael's Annual Fund appeal is directed to annual operational needs. Many of you have generously responded to the appeal and for this we thank you!

Specifically, we would like to point out two instances that underscore the alumni's role in the Annual Fund that allow the College to maintain and develop a tradition of excellence in Catholic education: in a recent students' evaluation of academic offerings in U of T's Faculty of Arts and Science, our two unique programmes, Christianity and Culture, and Celtic Studies were rated second overall among 57 programmes. This fall St. Michael's welcomed over 1,000 new students, the

largest first-year class in the college's history. We need \$ 600,000 from the 1998 - 1999 Annual Fund to support in a significant way St. Michael's Catholic educational mission.

If you have already made your Annual Fund donation this year, many thanks. If you have not, please send your gift now. U of T has undertaken a new look and approach. This has included some generic mailings from the central U of T Development Office which enable you to make a gift to St. Michael's or to some other area of the university. We urge you to give generously to support St. Michael's and hope that, should you choose to support another area of the university, you will not reduce your gift to the college.

If you have not received an Annual Fund appeal form, simply make out a cheque to "St. Michael's College Annual Fund" and mail it to: the Alumni Office, St. Michael's College, 81 St. Mary St., Toronto, Ontario M5S 1J4. You can also call 416 - 926 - 7260 and make a credit card donation. You will, of course, receive a tax receipt for your gift.

Please be as generous as you can.

Hire an SMC Student This Summer

We invite SMC Alumni who employ students for summer positions to hire a St. Michael's student. While it is difficult for students to combat increases in tuition, it is possible for them to remain debt-free as graduation approaches. Our new student work program, developed from an initiative by the St. Michael's College Student Union and supported by the Alumni Association, is a positive way to help students handle their debt, and for Alumni to keep in touch with the College.

Student resumes, catalogued by skills and experience at the Student Union office, will be selected according to employers' required qualifications and provided to Alumni interested in hiring a student. We encourage participation in this opportunity to build and strengthen the ties between Alumni and SMC students.

For more information call 926-1300 and ask for: Mark Sokolski (ext. 7268 or 3368), President of SMC Student Union, or Brian O'Malley (ext. 7260 or 7261), Executive Director Alumni Affairs and Development.

John M. Kelly Library Open All Night Long November 16 - December 17

The 11 November 1998 edition of the USMC campus newspaper, *The Mike*, announced an exciting pilot project. The ground floor of the Kelly Library has been open all night long for study and word processing on eight computers Sunday through Thursday. On Friday and Saturday the library was open until midnight. Louise Girard, Chief Librarian, reports that the Library has been working with the Principal of St. Michael's College on this and a number of related projects - the installation

of lockable carrels for graduate students, and of an information commons on the ground floor.

In the area of technology, the Library is happy to announce that Noel McFerran, Head of Public Services and David Hagelaar, Reference Librarian have been working on a new web page. You can visit it at: www.utoronto.ca/stmikes/library/index.htm. The web page continues to be a work in progress. Comments and suggestions are appreciated. The Library would especially appreciate comments on

the subject research guides on bioethics, Catholic liturgy, Church history, and philosophy which appear on the web page.

The Library reports that some of the grant money that St. Michael's received from the Social Sciences and Humanities Research Council in support of Celtic Studies was used to purchase a number of rare books.

Another innovation has been the recent purchase of a number of audio cassettes. It has centred on works by G.K. Chesterton and John Henry Newman, since these are two authors whose works St. Michael's collects extensively. Such audio cassettes are of particular interest to commuting students, whose time is at a premium. The Kelly Library staff continue to be actively involved in committee work throughout the U of T Library System.

Alumni are reminded that they may acquire a Kelly Library card for \$5.00, renewable every two years. The privileges include withdrawal of four books at a time. We encourage you to visit our library. With the ongoing implementation of innovative projects, the Kelly Library continues to be one of the most popular libraries on campus.

As a special tribute, Alberto 7T1 and Caroline 7T0 Morgan DiGiovanni and their family presented Fr. Madden with a two week, all expenses paid trip to Italy.

Earlier in 1998, Fr. Madden was also given a 'trip of his choice' by the Alumni and Development staff from the U of T.

President Alway Chosen Man Of The Year

Richard Alway (6T2), 1999, where the USMC President and the St. George's Society Man of the Year

The St. George's Society of Toronto has chosen President Richard Alway "Man of the Year". Dr. Alway will be guest of honour at The Society's Red Rose Ball to be held at the Four Seasons Hotel, Yorkville on 23 April

This award recognizes Dr. Alway personally, but more importantly it brings honour and recognition to St. Michael's College and the University of Toronto as leading institutions of higher learning in the English tradition.

The St. George's Society of Toronto was founded in 1834 to propagate understanding of our English traditions. The Society has actively supported various philanthropic causes in Toronto for 165 years.

Proceeds from the dinner, at the request of Dr. Alway, will be directed to the support of the Alzheimer programme at Providence Centre and the St. George's Society's scholarships programme at the University of Toronto.

The 1998 Arbor Awards were presented on 16 September 1998 by J. Robert Prichard, President of the University of Toronto. The St. Michael's recipients were Karen Tuckey Abbott 5T6, Phil Giroday 7T7, and Marcella Sorbara Tanzola 6T5.

Karen Abbott has been an active year representative, maintaining regular contact with her classmates not only at scheduled reunion years but on other occasions. She is also a contributor to the alumni newsletter.

Fall Convocation 1998 Faculty Of Theology and Continuing Education Division

The University of St. Michael's College Fall Convocation for the Faculty of Theology and the Continuing Education Division took place on 28 November 1998 at St. Basil's Church.

The Honourable Paul Martin returned to his alma mater to receive an honorary degree. Mr. Martin, who graduated from St. Michael's and the University of Toronto in 1961 with an honours B.A. in philosophy, received the degree of Doctor of Sacred Letters (honoris causa) from St. Michael's Chancellor, Cardinal Aloysius Ambrozic, Archbishop of Toronto. Mr. Martin delivered the convocation address. His father, Paul Martin Sr. was a graduate of St. Michael's - also in philosophy - in 1925. Mr. Martin's sons, Paul and James, were

graduates in the 1980s, while David attended St. Michael's in 1992.

Others receiving honorary degrees from Chancellor Ambrozic were his immediate predecessor, Cardinal G. Emmett Carter, and noted bioethicist and philosopher Professor Abbyann Lynch.

The Reverend Dr. Brian F. Hogan, C.S.B. Dean of the Faculty of Theology extended a message of congratulations to the graduands before the conferring of degrees.

Dr. M.J. (Mimi) Marrocco, Director of the Continuing Education Division, presented the candidates for the following specialized certificates: Certificate in Catholic Leadership in Education; Certificate in Youth Ministry; and Certificate in Catechesis of the Good Shepherd.

each year. His volunteer services as defensive coordinator for the St. Michael's Mulock Cup league from 1988 to 1995 resulted in an impressive series of Mulock Cup championships. He is a year representative for his class.

For over 33 years, Marcella Tanzola has been a faithful year representative for the class of 6T5. An active member of the St. Michael's Alumni Board of Directors, she has been key in revitalizing the recruiting and involvement of class representatives. The success of the annual Alumni Retreat, Alumni opera lectures and the Spring Memories Celebrations can be directly traced to her volunteer services.

Paul O'Donoghue 5T2 also received an Arbor Award for his service to the University of Toronto, Faculty of Arts and Science, in The Campaign.

Bravo to our award winners!

Philip Giroday keeps his classmates abreast of developments at St. Michael's. He lines up alumni to play against the students in the Boozer Brown Memorial Cup football game

Yes, it was that great college spirit time again, and as only one of two groups still holding Homecoming (Engineering is the other), we had yet another successful gathering of alumni. This year's honoured years were 1993, 1988, 1983 and 1978, but many alumni from other years attended also for a total of about 200 on the Friday night.

BACK AT ST. MIKE'S!

There was great frivolity as alumni caught up with each other and met other members of this select group. Some of the 'younger' students even ventured in from what is affectionately known as the "Time Warp Pub" going on in the COOP. Are they suggesting in the name, that alumni have a problem with age? The student team celebrates their rare victory. Can you believe these guys beat us?

On Saturday, for the first time in years, the student team won the Boozer Brown Memorial Cup. (Maybe we do have an age problem!) Several families also came through campus on Saturday afternoon to join in a hot dog lunch, and many alumni attended the special Mass on Sunday. Until next year!

• President Richard Alway had the honour of welcoming the President Of Ireland, Mary McAleese to the University of St. Michael's College on 14 October 1998. At a reception for over 150 students, faculty and guests, Mrs. McAleese praised St. Michael's for its deep commitment to its principles and identity, and emphasized the importance of liberal arts education. She commented that the College's Celtic Studies Programme is the "greatest of its kind outside of Britain and Ireland."

- Father Owen Lee's new book, *A Season of Opera*, has made him this fall's best selling author at the University of Toronto Press. In its first two months, the book has sold over 3000 copies. Hummingbird Centre's lobby brought in more than a thousand dollars in a single afternoon for the Canadian Opera Company. The book has also been used to raise money for station WNED - FM in Buffalo.
- The Pontifical Institute announces that the annual Gilson Lecturer will be Father

Brian Davies O.P., who will speak on 5 March 1999 on the subject "Aquinas and the Problem of Evil".

- The Celtic Studies Annual Conference took place on 24 October 1998. This year's theme, "1798: Revolution in Ireland", attracted over one hundred people.
- On 29 November 1998, an Advent Carol Service and Victorian Tea was well attended at St. Joseph's College. This event was sponsored by the University of St. Michael's College Chaplaincy, St. Joseph's College, Loretto College and SMC Men's Residence. Tea was served in the Great Hall, Christie Mansion to an appreciative audience.

Fr. Robert Madden Hall

In recognition of his contribution to our lives and to the spirit and tradition of the College, more than 900 alumni have contributed almost \$130,000 to the reconstruction and refurbishment of the first floor Auditorium in Carr Hall (Carr 100) to be renamed Fr. Robert Madden Hall. We need only \$20,000 to complete this project. If you would like to help, send your gift to the Fr. Robert Madden Hall Fund, in care of Ken Schnell.

Over the last few years, the hall has fallen into severe disrepair. Without air conditioning, its use has been restricted to classes and to rarely scheduled classes or meetings. This mid-sized room has a lot of potential for events with groups ranging from 40-75 people for receptions, formal

dinner, meetings, classes, tutorials and more.

An architectural firm has been retained to develop plans and budgets for the project, and it is expected that work on the room will commence in early 1999. Some of the work being considered includes the installation of air conditioning, removal of the small stage, new floor and wall finishes, addition of audio-visual equipment and an adjacent serving room for food service.

Please look for further updates on the Fr. Robert Madden Hall renovation progress, especially the grand opening event that will be planned sometime next fall. Finally, thank you to all who attended the event and generously contributed to this project in celebration and recognition of Fr. Madden.

Mary Ellen Burns 7T0 Appointed Director of Alumni Affairs

Mary Ellen Burns (7T0), the new Director of Alumni Affairs

The Alumni Board of Directors and the College administration are delighted to announce that Mary Ellen Burns, graduate of St. Michael's College, class of 7T0 has accepted the position, Director of Alumni Affairs. The Selection Committee of the Alumni Board of Directors reviewed a large number of highly qualified applicants. Mary Ellen was chosen from a field of five finalists for the job.

Mary Ellen brings many gifts to the Alumni Affairs Office: first her strong belief in, and devotion to, the mission of St. Michael's

College, its Catholic values and traditions. Second, she brings the skills and experiences of a 21-year career in senior management at Royal Bank Financial Group. Third, she brings the benefits from her extensive leadership activity with many volunteer organizations including the Boards of St. Michael's College Alumni Association and of the University of Toronto Foundation.

Mary Ellen will work with the Alumni Association Board in the planning and implementation of all front-line alumni activities, including alumni events, Annual Fund, alumni communications, and relations with the University of Toronto on alumni activities.

St. Michael's College is fortunate to have "one of our own" return to work with its most valuable asset more than 22,000 active graduates.

News From Continuing Education at St. Michael's

This year marks the second time that graduates of Continuing Education Certificate programs have participated in the University of St. Michael's Convocation along with recipients of graduate degrees and diplomas in the Faculty of Theology. A total of 40 candidates were eligible for Certificates in Catholic Leadership, Youth Ministry Studies, and the Catechesis of the Good Shepherd. Graduates included two married couples: Catherine and Sal Badali in the Good Shepherd course and Lorne and Sandra Keon receiving Certificates in Catholic Leadership, Lorne as a leader in Catholic Education, and Sandra in Health Care. The Division congratulates all who have successfully completed programs and extends best wishes to Catholic Leadership

graduate, Carol-Lynne Oldale who has just been named Director of Education for the Dryden, Fort Frances-Rainy River Catholic School Board.

In October, Continuing Education director Mimi Marocco (SMC 6T9) helped to organize the retreat and annual general meeting of the Ontario Council for University Lifelong Learning. At that meeting she was elected vice-president of the Council for the 1998-99 academic year. St. Michael's alumni continue to contribute their time and talent to the work of Continuing Education. In November, John Kostoff (SMC 7T7) facilitated a "sold out" workshop on the role of the Catholic School Council. Clearly addressing a need in today's education community, the

workshop has a growing waiting list for a spring reprise. Other alumni who were leaders in Continuing Education at St. Michael's this year included Carolyn Gratton (SMC 5T2), Mark Kingwell (8T5) and Sean Mulrooney (SMC 8T2).

Plans are well underway for the celebration of ten years of Youth Ministry Studies at St. Michael's. The anniversary will be marked by a Summer Institute on the Future of Youth Ministry to be held on the St. Michael's campus 6-8 August, 1999. Participation is anticipated from across Canada thanks, in part, to the generous financial assistance received to date from the Canadian Conference of Catholic Bishops, the Archdiocese of Vancouver and the Missionary Oblates of Mary Immaculate.

Relive the Campus Experience

Continuing Education invites you to re-live the excitement of campus life and learning this summer. In these days of exploding information and new technology, reflecting on the meaning to be derived from enduring books and music seems more important than ever. New in 1999, Classical Pursuits offers participants an opportunity to retreat for a week of seminar style discussion of a classic work of literature, philosophy or opera. Modelled on the very successful "Great Books" series introduced at the University of Chicago and adapted by a number of colleges throughout the United States, Classical Pursuits will be offered at St. Michael's from 25-31 July 1999. Participants will select one work from among the following: Plato, The Republic; Dante, Inferno; Dostoevsky, Crime and

Remember this? You could live here again.

Punishment; Wagner, Tristan and Isolde. Meeting daily for about two hours in groups of no more than twenty, they will be encouraged by a knowledgeable tutor to read closely, to think deeply, and to discuss lucidly, the work in question. Affordable campus accommodation has been arranged at neighboring Victoria College's Burwash Hall (newly air-conditioned!) with community meals provided at St. Michael's. The programme features a variety of optional cultural activities, lectures and tours and provides for participants a learning holiday in Toronto in the company of stimulating and genial colleagues.

For more information on Classical Pursuits call the Continuing Education office at St. Michael's at 416 926-7254 or visit us on the web: www.utoronto.ca/stmikes.

Professor Abbyann Lynch Returns to St. Michael's for Ethics Colloquium

The Continuing Education Division is delighted to welcome Dr. Abbyann Lynch to its third annual Ethics Colloquium in May. Awarded an honorary doctorate of Sacred Letters at the St. Michael's Convocation in November, Dr. Lynch has been a frequent visitor and guest lecturer since her retirement from the Philosophy Department in the mid 1980s. Dr. Lynch has agreed to give a luncheon address as part of a day of discussion of Ethical Implications of Genetic Research. Dr. Lynch will be joining keynote speakers Dr. James Kennedy and journalist John Bentley Mays, together with Professors Barry Brown, Fr. Leo Walsh, C.S.B. and Moira McQueen from St. Michael's, and guest speakers from OISE/UT, the Clarke Institute, Regis College and the Joint Centre for Bioethics.

Scheduled for Friday 14 May 1999 beginning at 9:00 a.m., the Colloquium has as its particular focus ethical questions raised by existing and emerging genetic research relating to mood disorders in particular and personality development in general. Dr. James Kennedy, Head of the Neurogenetic Section at the Addiction and

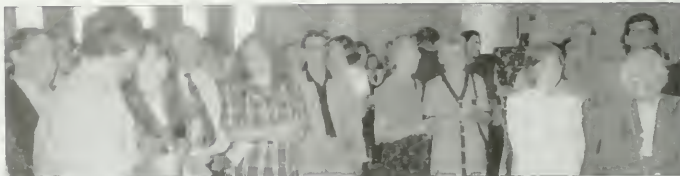

Mental Health Services Centre at the University of Toronto, will open the day with an overview of recent research with specific reference to issues involving early detection and treatment of mood disorders. John Bentley Mays, who has written of his own battles with depression in his memoir, *In the Jaws of the Black Dogs*, will provide a personal perspective on the ways in which the quality of an individual's life is affected by mood disorders.

Participants will then be invited to choose one of four concurrent workshops led by specialists in instructional psychology, mental health, family life and sexuality issues and social and legal questions. The day will conclude with a roundtable discussion moderated by Professor William Harvey, Professor of Philosophy at Victoria College and member of the joint commission on Bioethics.

The Continuing Education Division welcomes inquiries from alumni about this or any of our spring programs. Please call us at 416-926-7254, Fax: 416-926-7287 or visit the newly updated St. Michael's website: www.utoronto.ca/stmikes

St. Michael's Mourns

Since our last newsletter, the St. Michael's community has experienced the deaths of three members who had made, and were continuing to make, significant contributions to our own community and in a larger context.

Professor William
Dunphy (4T8)

William Dunphy's death on 13 August was both shocking in its unexpectedness and merciful in its relative suddenness. Professor Dunphy was born in Bayside, New York in 1926. After serving in the U.S. Navy, he registered at St. Michael's College, proceeding to a Bachelor of Arts degree in 1948, and becoming a Master of Arts in 1950 and a Doctor of Philosophy in 1953. In 1964, he returned to St. Michael's as a tenured Associate Professor, teaching courses in ancient, mediaeval, and modern philosophy. In 1969 he was promoted to Professor. In 1981 he was appointed Principal of Saint Michael's College, a position he held until his retirement in 1991. In his retirement he continued his scholarly research and writing. He remained active in social and interfaith issues and groups.

Professor Dunphy's contributions to St. Michael's College-sponsored programmes in Christianity and Culture and Celtic Studies, and to the St. Michael's writing and mathematics labs, were examples of his devotion to the academic welfare of the students of St. Michael's. He was an accomplished teacher and a public-spirited citizen dedicated to the common good, concerned about social issues, especially those affecting the poor and marginalized.

On 12 November 1998 "A Life Celebrated" was held in honour of Professor Dunphy. A significant number of the St. Michael's community, along with the Dunphy family,

celebrated the life of William Dunphy, a man of faith: faithful to God, to the Church, to his family, to his friends, and to the commitments he made to others. The William Dunphy Scholarship Fund has been established by his family and friends in his honour.

The Rt. Rev. Petro Borys Tereshkovych Bilaniuk, Professor Emeritus of Theology and the Study of Religion died on 8 September 1998 after a prolonged illness.

The University of St. Michael's College was always the centre of Father Bilaniuk's career of theological teaching and research. He began as a Lecturer in 1962, reaching the rank of Professor in 1974. He was also a member of the University of Toronto's Graduate Centres for Russian and Eastern European Studies and for the Study of Religion as well as being a Visiting Professor at other universities. Father Bilaniuk's prodigious energy produced diverse achievements in academics, ecclesiastical affairs, public advocacy and community life.

Eduard Alexander Koehl 9T4 (1973-1998), former President of St. Michael's College Student Union (1993-1994) and a recent graduate of Osgoode Hall Law School, died suddenly on 23 November 1998 at the age of 25. He was known to many at St. Michael's as both a gentleman and a scholar. Dr. Richard Alway, President of St. Michael's said after hearing of the news "Eduard was a true leader". Fr. Bob Madden, Director Emeritus of Alumni Affairs reported, "He was certainly dedicated to St. Michael's and what it stands for".

Eduard leaves behind a record of accomplishments and services to the community - he volunteered with several Out of the Cold Programmes, ran a summer camp for youth in Cabbagetown and was coach of women's intramural athletics. He was SMCSU President and Vice President in two successive terms and was chief organizer of U of T's '98 Life Chain.

*Hope and Concern
The Church and
the Culture
on the Eve of the
New Millennium*

The present moment in the Church and in the culture is cause for much hope - and for more than a little concern. How does one name this moment so as to

both honour and challenge it? Where is it pregnant with hope? Where is it laden with death and despair? What particular life-forces within it are at battle with key moral forces? What is more particular to the Canadian situation? What is to be the Christian reaction? This lecture will attempt some cultural and moral analysis, along with some essential theological prescriptions.

Sam Sorbara Hall, Brennan Hall

The 1999 Kelly Lecture

The lecturer will be Father Ron Rolheiser, OMI. He is presently serving on the General Council in Rome for the Oblates of Mary Immaculate as Councillor for Canada. He taught for 15 years at Newman Theological College, Edmonton, as Professor of Systematic Theology and Spirituality. Since 1984, he has been adjunct faculty member at Seattle University. He is author of a number of books, numerous articles, and a weekly column in more than a dozen newspapers in over six countries.

St. Michael's is joining the university in extending the invitation to the Spring Reunion to the more recent years - 7T9, 8T4, 8T9 and 9T4. St. Michael's events begin on Friday evening, 4 June at 8:30 p.m. in Odette Lounge, Brennan Hall with a cash bar reception and a complimentary hot-cold finger food buffet. On Saturday evening there will be a 6:30 p.m. cash bar reception followed by dinner at 7:30 p.m. in Brennan Hall. The weekend will conclude on Sunday morning with the annual Spring Reunion Mass at 11:00 a.m. in the College chapel followed by a complimentary brunch at 12:00 Noon.

Look for your brochure to be mailed in March!

The first part of the paper discusses the importance of understanding the local context in which a project is implemented. This involves a thorough analysis of the social, cultural, and economic factors that may influence the success or failure of the intervention. The second part of the paper describes the methodology used in the study, which includes a combination of qualitative and quantitative approaches. The third part of the paper presents the findings of the study, which show that the intervention had a positive impact on the community. The final part of the paper discusses the implications of the findings for future research and practice.
